

NEW JOB? NO WORRIES

**So it's your first day – congratulations!
You're all set, and no need to worry
about money. Not unless you get sick.**

Ill health can happen to anyone, any time. With a little forward thinking, you can prevent ill health taking too much of a toll on your finances. Income protection could provide you with an income if you're too ill to work.

**Take the pressure off your health so you can
focus on your new job.**

To find the best way to protect your income, talk to us today.

If the policy has no investment element then it will have no cash in value at any time and will cease at the end of the term. If premiums are not maintained, then cover will lapse.
The policy may not cover all the definitions of a critical illness. For definitions of a critical illness please refer to the key features and policy document.
The value of the investment can go down as well as up and you may not get back as much as you put in.
