

ARE YOU SURE YOU'RE IN CHARGE?

**It's great being your own boss, isn't it?
But if you were ill and couldn't work,
what would happen to your income?**

Ill health can happen to anyone, any time. We're not talking about coughs and sneezes – you know the stuff you're tough enough to plough through – but serious illnesses. Income protection could provide you with an income if you were too ill to work.

Make sure you're in charge of your income.

To find the best way to protect your cashflow, talk to us today.

If the policy has no investment element then it will have no cash in value at any time and will cease at the end of the term. If premiums are not maintained, then cover will lapse.
The policy may not cover all the definitions of a critical illness. For definitions of a critical illness please refer to the key features and policy document.
The value of the investment can go down as well as up and you may not get back as much as you put in.
