

# NEED A LITTLE PICK-ME-UP?

Before you know it, the odd little treat,  
like your favourite coffee,  
can soon become a daily routine.

For the price of four coffees<sup>1</sup> each month, you could get  
over £34,000 of life or critical illness cover<sup>2</sup>.  
So cutting back could be the pick-me-up your  
whole family needs when times are difficult.

Source: 1. Assumes £2.55 as the price of a coffee.

2. Royal London Life or Critical Illness Cover, based on individual aged 29, non-smoker,  
25-year term, guaranteed rates, including £2.60 plan charge, September 2019.

To find the best way to protect you and your family, talk to us today.
