

I WORK PART-TIME YOU CAN'T INSURE THAT, CAN YOU?

**Even if you work part-time, you still
earn an income. Finding cover for this
could be easier than you think.**

Whether you're healthy or sick, the bills will always need paying. Income protection could provide you with an income if you're too ill to work. The amount it pays will be related to how much you normally earn.

Plan for the good times and the hard times. Protect your part-time income.

To find the best way to protect your income, talk to us today.
